

Hey Team Midway,

In order to make your visits with us as quick as possible, we ask that you follow these steps:

- Call (906) 228 – 4200, email, or text our sales reps your order (their info is available on [www.mrmqt.com/staff/](http://www.mrmqt.com/staff/))
- Sign electronically and pay on your open account or over the phone with a credit card
- Pull up to one of the curbside pickup parking spaces (pictured) or elsewhere if instructed by Gate Director
- Call the number on the sign – our staff will come out and load your order for you
- That's it!

We are still open to walk-in traffic, and merely want to offer these steps as a way of conducting your business safely and efficiently. Thank you for keeping it local, and thinking of Midway!

Thank you,

Midway Rentals Staff
